

MEETING MINUTES
Key Biscayne Dog Park Committee
Thursday, June 27, 2013

The meeting was called to order at 6:50 PM.

In attendance were Dr. Eastman, Jud Kurlancheek, Conchita Suarez, Andy Garcia III, Claire Amerena London, Alexa Halloway, Todd Hofferberth, Sebastian and Jordan from "Key Walks", and Michael Davey.

Mr. Kurlancheek provided a construction update to the Committee. The update included the following:

1. A fountain is in route for the park.
2. Two (2) benches have been placed in the parks with two (2) more to be added.
3. The Committee discussed trees and hedges that could be added to the park.
4. Methods to screen the fence between the two sides were discussed.

The Committee discussed park operations and reviewed the rules provided by staff. The Committee recommended the language provided as attachment "A".

The Committee discussed the need for additional shade and additional dog waste bag dispenser and collection units.

The Committee recommended that the same key fob entrance system at the beach park be investigated as an option for the dog park.

The Committee recommended that if any commercial use was permitted in the park it be restricted to 10 AM to 3PM Monday through Friday so it does not interfere with general public use.

The Committee discussed a permit process and how to address complaints.

The Committee conducted a park site visit to provide recommendations to staff.

The meeting was adjourned at the conclusion of the site visit.
